

Response to Queries for Notice Inviting Tenders for Plastic Cans with NFAI logo embossed at NFAI		
Sr. No	Queries in Detail	Response from NFAI
1.	Wether a manufacturer/seller Can quote for plastic cans alone, that are made from our own mould?	No. As Per NIT.
2.	In case if you allow us to quote for our container (Query no.1), can we give variable prices, basing on the quantity purchased that are applicable for one year?	Not Applicable.
3.	Your tender specifies that no advance would be paid even for mould making, which inevitably requires investment in many lacs. Is there any possibility of extending 50 % advance of quoted and agreed price?	As Per NIT.
4.	Your tender specifies that readied moulds should be handed over to you along with first order lot. Is it possible to modify this condition and allow the maker of moulds to supply your full specified requirement of can and bobbins by using your moulds?	As Per NIT.
5.	Manufacturing of moulds requires lot of technical skill which require 100s of work hours. Time mentioned in tender is two weeks. Will you modify the time given to make moulds to a minimum 45 days?	The first order including the mould needs to be delivered to NFAi in 45 days from the letter of award.
